*During many of the events refreshments will be provided. The Pal Golf program will be divided into three phases(**Introduction, Professional Instruction, Golf Camp**)*

INTRODUCTION TO GOLF

Starting in May and running for eight weeks until the end of June we will be having a regionalized kickoff program involving all PAL Centers.

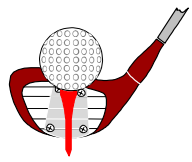

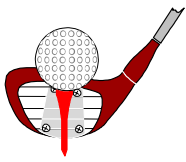

Every Tuesday, Thursday, and Friday from 4:00pm – 8:00pm we will be working with 4 centers with about 40 kids participating in each session introducing them into the various aspects of the game of golf.

This program will be conducted at the Burholme Driving Range and Miniature Golf Course.

This program is intended to introduce the children to the game of golf and hopefully identify those kids who would like to continue on with the second phase of our program.

During this program the total number of children exposed to the game of golf should be approximately 300.

Professional Instruction

This particular phase will have two parts.

Starting at the end of June (once school is out) and running until mid Aug. we will be taking players that were identified as having an interest in golf (from phase one) but still need work on their game to Island Green Golf Course to participate in the Kids on the Hill program. This phase will focus on the fundamentals of Golf. Areas that we will be working on will be Chipping, Putting, Driving, Long and Short Irons as well as Golf etiquette. Instruction will be provided by several area Golf Professionals. We anticipate involving approximately 75 kids per day (3 days per week). Time for this phase will be 12:00pm-4:00pm

During the Kids on the Hill program, several of our youngsters (with somewhat more knowledge and ability) will have the opportunity to play a round of Golf on several area courses(Courses to be announced). We anticipate involving 3 groups of 4 each time we take the kids on the course.

GOLF CAMP

During the month of August we will be having an introduction-to-golf camp at Juniata Golf Course with approx. 125 golfers participating. This camp will run for the entire week.

During the week we will be instructing the children on various aspects of the game of golf. We will be having guest instructors from the PGA along with members of the PAL Staff.

The camp will culminate with a team scramble tournament and Awards Ceremony on the last day at camp.
